

**\*\*\*AMENDMENT #2 TO RFP # 2008-400-01 \*\*\***

*Additions to the previously printed statements are italicized in bold print.*

**4.2.4.2.7 Vendor Financial Stability**

Vendors must provide documentation of financial responsibility and stability by: providing financial statements, preferably audited, for three (3) consecutive years immediately preceding the issuance of this RFP; and providing copies of any quarterly financial statements that have been prepared since the end of the period reported by your most recent annual report. ***Vendors must also have available financial resources to pay for two (2) weeks of operating expenses at all times.***

**4.2.4.2.3 Contract Performance**

If the Vendor, or any proposed Subcontractor, has had a contract terminated for default during the past five years, all such instances must be described as discussed below. Termination for default is defined as notice to stop performance delivery due to the Vendor's nonperformance or poor performance and the issue was either (a) not litigated due to inaction on the part of the Vendor; or (b) litigated and such litigation determined the Vendor to be in default. Submit full details of all terminations for default experienced by the Vendor during the past five years, including the other party's name, address, and telephone number. Present the Vendor's position on the matter. The Department shall evaluate the facts and may, at its sole discretion, reject the Vendor's Proposal if the facts discovered indicate that completion of a Contract resulting from this RFP may be jeopardized by selection of the Vendor.

If no such terminations for default have been experienced by the Vendor in the past five years, so declare. If, at any time during the past five years, the Vendor has had a contract terminated for convenience, non-allocation of funds, or any other reason, which termination occurred before completion of all obligations under the initial contract provisions, describe fully all such terminations including the name and address of the other contracting party and the circumstances surrounding the termination. If no such early terminations have occurred, so declare.

Failure to report on the foregoing or if the information furnished is determined to be inaccurate, whether by omission or commission, shall result in rejection of the Vendor's Proposal.

***No points will be assigned to proposals submitted by new or current vendors who have performed their contractual obligations satisfactorily. However, current vendors who have performed unsatisfactorily may experience point deductions up to a maximum of 10 points.***
